THE LYME CENTRAL SCHOLARSHIP

ENDOWMENT FUND is maintained at the Northern NY Community Foundation. Funds are invested in stocks & bonds and a 4% distribution (based on a 16-quarter average balance) is available each year for scholarships. The past 15 yr. average rate of return has been 7+% which allows the fund to grow over time even after the deduction of a ¾ % annual management fee and the 4% scholarship distribution.

WILL/BEQUEST: If you are making or updating a Will please consider designating an amount for the Lyme Central Scholarship Fund, % the Northern NY Community Foundation. Remember even small amounts can be magnified greatly when numerous individuals make such a commitment.

A NAMED SCHOLARSHIP can be arranged when a gift or bequest of \$10,000 or more is designated. A minimum gift of \$10,000 will establish an annual \$400 scholarship in perpetuity.

MEMORIAL/HONOR DONATIONS: When the cumulative total donations in memory/honor of an individual reach \$500 their name will be placed on a perpetual plaque in the school lobby.

+ 1 CHALLENGE FOR 2021

EVERYONE IS INVITED!!

With the COVID-19 Pandemic still impacting fund raising activities for the Lyme Central Scholarship Dollars Committee in 2021, we are asking our past supporters for assistance.

We are asking each previous contributor to reach out and try to recruit one more contributor for the 2021 Campaign. It might be an LCS classmate, a sibling alumnus, a friend, a neighbor, the parent of a current or former LCS student, a business, or a community group, etc. If each past contributor made one successful recruit, 120+ additional contributors would add to our fund drive and it would enjoy a positive boost in 2021.

Please consider this + 1 Challenge along with your 2021 contribution to keep our endowment fund growing to serve our students and our community.

Please note: The Challenge is open to everyone. Everyone is welcome to participate!!
We would like to make 2021 the most successful year to date.
